For lower students you also can write animal and farm vocabulary on the board and students have to stick the correct flashcards above the writing.

Skills: Animal and farm vocabulary; spelling; numbers; colours; verbs; sentence structure; word-picture association; word-picture recognition; early reading; singular and plural; conjunctions; like and dislike; favourites

Game Idea: **True or False Chairs**

Put 2 chairs in front of the whiteboard. Write above one chair- TRUE- the other one -FALSE-. Show a flashcard (quickly) and shout out a vocabulary word. If that flashcard matches the vocabulary word, the students must try to sit on the TRUE chair. First to get to the correct chair gets point.-Hint: have the rest of the team read the vocabulary word again and say if it was true or false (VERY active game).
