## Teaching locations in combinations with map reading

Maple Street

Oak Street

High Street

Where is the market? The market is opposite the hotel.

Target Group: Elementary Level

Material: Location flashcards (additional basic preposition or occupation flashcards)

Vocabulary: airport, art gallery, bank, hairdresser, bus stop, cinema, fire station, amusement park, hospital, hotel, library, market, museum, park, petrol station, pharmacy, playground, police station, post office, restaurant, school, sea, stadium, supermarket, train station, zoo

Process: Introduce location vocabulary to students. Draw a simple map on the board. Stick locations onto the map and ask students questions. Where is the police station? The police station is next to the market. Where is the train station? The train station is between the police station and the post office. e.g..

NOTE: Location and occupation flashcards are matching, so you will find for every location a matching occupation card. Ask students: Where do teachers work? A teacher works at a school. e.g..

Skills: Locations vocabulary; spelling; word-picture association; word-picture recognition; sentence structure; grammar; reading; conjunctions; verbs; describing places and locations; asking questions; basic prepositions; giving directions

Game Idea: **Matching Grid**

Draw a matrix or grid on the board (at least 5x4 squares) and number your axis A to E on the top scale and 1 to 4 beside the squares created; you end up with squares like A1, B2, C3 etc. Stick 10 location flashcards mixed up front to back onto the board and 10 occupation flashcards. Students have to find and remember the correct matching squares. Team who gets the most combination pairs wins (like memory game).
